

AMENDMENTS TO THE DRAWINGS:

The attached drawing(s) include changes to FIG. 6B. The sheet containing FIG. 6B replaces the original sheet including FIGS. 6A and 6B.

At item 3 in the Office Action, the Examiner objected to FIG. 6B. In order to overcome this objection, a replacement figure is submitted herewith. In FIG. 6B, the cut line has been extended to more than half way up the length of the negative electrode current collector 410. Approval of these changes to the drawings is respectfully requested.
